Conference Report – Kim Miller

Kim Miller reported that the conference seemed to have gone very well and many at the conference remarked that they had really enjoyed it. Approximately 100 people attended and AR SOPHE should have made a profit. Participants especially enjoyed having lunch on-site and liked the variety of topics offered at the conference. Evaluations will be compiled and sent out to the Executive Committee.

CEU Announcement – Emily Gordon

Emily reported that CEU opportunities can be viewed on the AR SOPHE website. Several options to receive CEUs are available year round from MidSOUTH Prevention Institute and UAMS.

Announcements

Carrie Poston reminded everyone that all those that attended the conference are now AR SOPHE members and will be put on the email listserv and can receive discounted CEUs.

Door prizes were then given out.
