

**Arkansas Society for Public Health Education's Annual Conference October 9, 2019
University of Central Arkansas Student Center - Conway, Arkansas**

Presentation Proposal Submission Deadline: midnight June 30, 2019

Overview

Thank you for your interest in submitting an abstract for the ARSOPHE 2019 annual conference at the University of Central Arkansas! We look forward to hearing from you. Please read the information provided before submitting the conference proposal form.

Conference theme

Elevating Health Through the Power of Many

We are an organization that strives to improve and elevate the health of all people, through collaboration across health and non-health sectors, advocacy for improved policies and systems, and fostering the circle of research and practice. As a part of this commitment ARSOPHE seeks to address the determinants of health and improve health outcomes through health education and promotion in all practice settings. We welcome exhibitors and sponsors who share these goals and invite you to connect with us at our annual meeting.

Criteria for judging all presentation proposal submissions

Submissions will be reviewed by 3-4 professional reviewers based on the following criteria:

1. Relationship to conference theme: Does the proposed presentation relate to the theme?
2. Objectives: Are the learning objectives clearly stated, measurable, and observable (aka SMART objectives)?
3. Usefulness/Innovation: Does the proposed presentation represent usefulness and innovation to the field of health education.
4. Clarity of content: Is the proposal well-written? Does it clearly outline what the presentation is about? Is it presented in the required format?

Notification and communication

Submitting presenters can expect to receive an email notification, whether the presentation was **accepted or declined, by July 31, 2018.**

Once you have completed the attached Word document, please send it to Dr. Betty Hubbard at bettyh@uca.edu before midnight on June 30, 2019.
