Little Rock, Arkansas 72205

Dear Ms. Miller,

The UAMS Head Start/Early Head Start program is extremely grateful for your overwhelming generosity. On behalf of the children and parents, we would like to thank you for participating in the 6th Annual Stuff the Stockings project. Your sponsorship helped ensure 1,178 children received much needed toys, winter clothing and hygiene items. The parents expressed tremendous appreciation for the gifts their children received; thus, your support made a very real difference in the lives of our families this holiday season.

By way of federal funding, the UAMS Head Start/Early Head Start program provides education, health, and social services to low-income children and families throughout Pulaski County. Providing holiday gifts is beyond the capacity of the grant budget. As a majority of participants this year were repeat sponsors, we sincerely appreciate your contribution to Stuff the Stockings and look forward to your participation in future years. We could not have successfully completed this project without your partnership in this endeavor.

Thank you again for your support! We hope you found the experience to be as meaningful as our staff, children, and their families.

Sincerely,

Mary Kaye McKinney
UAMS Head Start Director

Kinsey Carr
Training Development Specialist

—ESTABLISHED 1879—

Arkansas Children's Hospital (ACH) and the Central Arkansas Veterans' Healthcare System (CAVHS) are comprehensive clinical, teaching and research affiliates of the College of Medicine at the University of Arkansas for Medical Sciences. UAMS faculty physicians and surgeons are on staff at ACH and CAVHS.
