

Arkansas Society for Public Health Education - Membership Application-

Individual Membership

Individual membership is open to:

- Any professional with a graduate or undergraduate degree from a formal education program; OR
- A professional who is employed or functioning in a health education capacity; OR
- An individual with professional education and experience as a health educator, who has been employed in the health education field for at least one year.

Student membership

Student membership is open to:

- Any person enrolled full-time or part-time in a health education program, either as a graduate or undergraduate.

Benefits of Membership:

- Discounted rates on continuing education units for Certified Health Education Specialists and Certified Public Health Educators
- Arkansas SOPHE website and listserv with the latest information on health education research, program development and evaluation
- Opportunity to attend the annual "AR SOPHE Health Education Conference"
- Affiliation with National SOPHE (and discounts for their annual conference registration fee!)
- Opportunity to apply for college scholarships
- Opportunity to know other members who are active at local, state and national level
