Dear Rosemary,

It is our pleasure to officially confirm the redesignation and renewal of charter of the Arkansas Chapter of the Society for Public Health Education (SOPHE). The SOPHE House of Delegates and the Board of Trustees voted at its 2010 Midyear Meeting in Atlanta, Georgia to redesignate the chapter for another five years. The Arkansas Chapter would be due for its next redesignation in 2015.

National SOPHE greatly values its close partnership with the Arkansas Chapter. Your health education leadership at the local level - in enhancing quality research and practice as well as advocacy – contributes immeasurably to accomplishing our shared core mission of improving the public's health through education.

As we move forward in developing our new strategic plan, we look forward to Arkansas Chapter's continued input and involvement.

Once again, congratulations on being redesignated. We are proud to have the Arkansas Chapter as an integral member of the SOPHE family.

Most sincerely,

Diane Allensworth, PhD, RN
