Dear Ms. Miller,

The UAMS Head Start/Early Head Start program is extremely grateful for your overwhelming generosity. On behalf of the children and parents, we would like to thank you for participating in the 5th Annual Stuff the Stockings project. Your contribution of toys, money, and clothing allowed us to provide gifts for over 1130 children at 22 sites within Pulaski County. The parents expressed tremendous appreciation for the gifts their children received; thus, your support made a very real difference in the lives of our families this holiday season.

By way of federal funding, the UAMS Head Start/Early Head Start program provides education, health, and social services to low-income children and families throughout Pulaski County. Providing holiday gifts is beyond the capacity of the grant budget. As a majority of participants this year were repeat sponsors, we sincerely appreciate your contribution to Stuff the Stockings and look forward to your participation in future years. We could not have successfully completed this project without your partnership in this endeavor.

If you have an interest in assisting throughout the year with the same children you served for the holiday project, we will be happy to work with you. Many people find that sponsoring a field trip to the zoo or pumpkin patch is very rewarding. During the month of April, we also welcome you to celebrate Literacy Month with us by visiting a site and reading to the children.

Thank you again for your support! We hope you found the experience to be as meaningful and memorable as our staff, children, and their families.

Sincerely,

Kinsey Carr
Stuff the Stockings Coordinator
